**We will be faxing a copy of your pet's medical records to the veterinarian who referred your pet or who had been seeing your pet for this problem. We work as part of the health care team with you and your regular vet. It is important that we communicate with your veterinarian. If you have a concern with this policy, please bring this up before we start your appointment.**

*It is the policy of Northwest Animal Eye Specialists that payment is due at the time of service. An estimate will be provided for all services upon request. For your convenience, we accept Visa, MasterCard, Check, Care Credit, or Cash payment. Thank You!*
